Dear Shareholder

On behalf of the Board of Directors, we are pleased to provide the Notice of Annual General Meeting for Collins Foods Limited (**Collins Foods** or **Company**), a copy of which accompanies this letter.

This year, the AGM will be held on Friday, 27 August 2021, commencing at 9.30am (Brisbane time) at the offices of Clayton Utz, Level 28, 71 Eagle Street, Brisbane, Queensland.

The Company recognises and respects the importance of the AGM to shareholders. Once again, we will adopt the same online platform this year to allow shareholders to virtually participate in the AGM. This includes the facility for shareholders to ask questions in relation to the business of the meeting and to vote in real-time. These processes are set out in this notice of meeting.

The Directors encourage shareholders to participate in the meeting via the online platform. Whilst shareholders will be able to vote online during the meeting, shareholders are encouraged to lodge a proxy ahead of the meeting, even if they are participating online or choose to attend in person. If you are unable to attend, please lodge your vote online at www.investorvote.com.au.

We invite shareholders to submit questions in advance of the meeting. Questions may be submitted by completing an online shareholder question form on the Company's website at www.collinsfoods.com/agm2021 or submitting an online question when voting online at www.investorvote.com.au. Questions relevant to the business of the meeting should be submitted five business days before the meeting, by 5.00pm (Brisbane time) on Friday, 20 August 2021.

Given the current environment where circumstances may change quickly and without notice, we strongly encourage shareholders to plan to vote by proxy and participate in the meeting using our online platform rather than attending in person.

Shareholders are encouraged to check the Company's website regularly at www.collinsfoods.com/agm2021 and ASX for any updates in relation to the AGM.

We look forward to continuing to engage with shareholders using this meeting technology, successfully adopted at last year's AGM, and I hope that you will participate in the meeting online.

As a shareholder, you may submit a written question to the auditor prior to the meeting provided that the question relates to:

- the content of the auditor's report; or

Shareholders can submit their questions to the auditor in advance of the meeting in a number of ways:

Item 2 — Re-election of Director — Robert Kaye SC

The Constitution and the Listing Rules require that Directors must not hold office for more than three years without re-election (rotation requirements). The Constitution further requires that one Director (excluding Directors appointed by the Board during the year) must retire and that the retiring director may offer themselves for re-election at an annual general meeting.

Accordingly, Robert Kaye SC retires from office and offers himself for re-election.

The Chair of the meeting intends to vote all available proxies in favour of the re-election of Robert Kaye SC.

Item 3 — Re-election of Director — Kevin Perkins

The Constitution and the Listing Rules require that Directors must not hold office for more than three years without re-election (rotation requirements). The Constitution further requires that one Director (excluding Directors appointed by the Board during the year) must retire and that the retiring director may offer themselves for re-election at an annual general meeting.

Accordingly, Kevin Perkins retires from office and offers himself for re-election.

The Chair of the meeting intends to vote all available proxies in favour of the re-election of Kevin Perkins.

Item 4 — Renewal of shareholder approval for LTIP

Background

The Company's long-term incentive plan, the Collins Foods Limited Executive and Employee Incentive Plan (**LTIP**) was initially approved by shareholders at the Company's 2013 Annual General Meeting, and again at its 2016, 2019 and 2020 Annual General Meetings. The LTIP:

- offers long-term incentives to employees, including executive directors, in the form of Performance Rights over Shares; and
- aims to align rewards for performance with the achievement of the Company's growth and strategic objectives for the financial year 2022 and beyond.

In December 2019, amendments to the Listing Rules took effect. Under the amended Listing Rules, when seeking shareholder approval in relation to an employee incentive scheme (such as the LTIP), an entity must, among other things, now disclose in the relevant notice of meeting the maximum number of securities proposed to be issued under the scheme following the approval. As outlined in the Remuneration Report for the period ended 2 May 2021, changes to performance metrics and levels of entitlements to Performance Rights granted under the LTIP have been proposed. It is intended that those changes are applicable to grants of Performance Rights commencing from the period ending 1 May 2022 (**FY22**). Given these changes, the Board is seeking to refresh approval of the LTIP, including the issue of securities under the LTIP, for the purpose of ASX Listing Rule 7.2, Exception 13 and for all other purposes.

ASX Listing Rules

ASX Listing Rule 7.1 requires that a company obtain shareholder approval prior to the issue of securities representing more than 15% of the issued capital of the Company. ASX Listing Rule 7.2 sets out a number of exceptions to Listing Rule 7.1, one of which (Exception 13) is an issue of securities under an employee incentive scheme if, within three years before the date of issue, the shareholders of the Company approved the issue of securities under the scheme.

If shareholder approval is obtained for the purposes of Listing Rule 7.2 Exception 13, the Company will be able to issue Performance Rights under the LTIP (subject to the maximum number of Performance Rights to be issued under the LTIP as set out below under "Regulatory Information" below) to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

If shareholder approval is not obtained, the Company will be able to proceed with the issue of Performance Rights under the LTIP (again, subject to the maximum number of Performance Rights to be issued under the LTIP as set out below under "Regulatory Information") to eligible participants, but any issue of Performance Rights will reduce, to that extent, the Company's capacity to issue securities without shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the Performance Rights.

It should be noted that any proposed issue of Performance Rights under the LTIP to a related party (including Directors) will require additional shareholder approval under Listing Rule 10.14 at the relevant time. If such additional shareholder approval for an issue of Performance Rights under the LTIP to a related party is not obtained, then those Performance Rights cannot be issued.

Regulatory information

In accordance with the requirements of Listing Rule 7.2, Exception 13(b), the following information is provided:

- A summary of the LTIP rules is set out in the Schedule to this Notice of Meeting.
- Since the LTIP was approved by shareholders at the 2020 AGM, 204,224 Performance Rights (0.17% of issued capital) have been granted under the LTIP (as approved by shareholders at the 2020 AGM). Of the 204,224 Performance Rights granted during that period, 1,363 of these have been forfeited and 202,861 (0.17% of issued capital) remain on issue. Following the review of vesting conditions, 114,866 Performance Rights (0.09% of issued capital prior to vesting) have been converted to fully paid ordinary shares in the Company since the LTIP was approved at the 2020 AGM. Prior to vesting, the Company had 116,581,244 Shares on issue.
- The maximum number of Performance Rights proposed to be issued under the LTIP following shareholder approval over three years is approximately 1,800,000 Performance Rights (1.54% of issued capital). This maximum is not intended to be a prediction of the actual number of Performance Rights to be issued under the LTIP but is specified for the purposes of setting a ceiling on the number of Performance Rights approved to be issued under and for the purposes of Listing Rule 7.2, Exception 13(b). Once that number is reached, any additional issues of Performance Rights under the LTIP would not have the benefit of Exception 13 without a fresh shareholder approval.
- A voting exclusion in respect of this Item 4 has been included in this Notice of Meeting.

Board Recommendation

The Board recommends that shareholders vote in favour of renewing the approval of the Collins Foods Limited Executive and Employee Incentive Plan. The Chair of the meeting intends to vote all available proxies in favour of the re-approval.

The Performance Rights are otherwise granted on the terms of the LTIP rules summarised in the Schedule to these Explanatory Notes.

Item 5 — Approve grant of performance rights to Drew O'Malley

It is proposed that the Company's Managing Director & CEO, Mr Drew O'Malley, be granted Performance Rights under the Company's LTIP.

In accordance with ASX Listing Rule 10.14, securities cannot be issued to a Director under an employee incentive scheme without first obtaining shareholder approval. If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1 for a proposed grant of Performance Rights to Drew O'Malley, Managing Director & CEO, under the LTIP, as part of his long-term incentive arrangements.

The Board considers that the proposed grant represents reasonable remuneration for Mr O'Malley in his role as Managing Director & CEO of the Company.

The only Director eligible to participate in the LTIP is Drew O'Malley. Non-executive Directors are not eligible to participate in the LTIP, and therefore none of the current Directors are eligible to participate in the LTIP.

The LTIP was approved at the Company's 2013, 2016, 2019 and 2020 Annual General Meetings. Since the LTIP was last approved by shareholders at the 2020 Annual General Meeting, there have been 121,950 Performance Rights (0.10% of issued capital) issued under the LTIP to employees other than Mr O'Malley.

If this Item 5 is not approved by shareholders, the Board will consider alternative arrangements to appropriately remunerate and incentivise the Managing Director & CEO, including a cash-based incentive.

Information for shareholders

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information in relation to Item 5 is provided to shareholders:

- The Director is Mr Drew O'Malley (being the Managing Director and Chief Executive Officer of the Company).
- Mr O'Malley is a director for the purposes of ASX Listing Rule 10.14.1.
- The number and material terms of the Performance Rights proposed to be granted to Mr O'Malley are summarised elsewhere in this Notice of Meeting. The Performance Rights are otherwise issued on the terms of the LTIP rules summarised in the Schedule to these Explanatory Notes.
- The specific number of Performance Rights to be issued to Mr O'Malley under this Item 5 is 74,036.
- Performance Rights are granted for nil consideration on the basis their grant represents an incentive for future performance, and will be subject to Vesting Conditions.
- The total reward received by Mr O'Malley in FY21 (as disclosed in the FY21 remuneration report) was \$1,468,968. Total reward includes salary, superannuation, other benefits, short-term incentive and long-term incentive.
- Since the LTIP was last approved by shareholders at the 2020 Annual General Meeting, 82,274 Performance Rights have been issued to Mr O'Malley in line with the calculation methods set out in the FY20 remuneration report. Mr O'Malley was not a director as at the date of the 2020 AGM.
- It is intended that the Performance Rights will be issued as soon as practicable after the date of the Annual General Meeting, if approved by shareholders, and in any event, no later than three years after the Annual General Meeting.
- Performance Rights are used under the LTIP:
 - to offer long-term incentives to employees;
 - with the aim of aligning rewards for performance with the achievement of the Company's growth and strategic objectives.
- The value of the performance rights has been determined with reference to Mr O'Malley's salary and superannuation of \$858,825 (Base Salary) which was determined with reference to independent remuneration benchmarking. The maximum value of Mr O'Malley's long-term incentive award is equivalent to 100% of Mr O'Malley's Base Salary where stretch performance is achieved (refer to 'Grant Terms: Number of Securities' below for further detail).
- No loans will be granted to Mr O'Malley in relation to his participation in the LTIP.
- Details of any securities issued under the LTIP will be published in each annual report of the Company relating to the period in which those securities have been issued, and a statement that approval for the issue of securities was obtained from shareholders. Any Directors or other persons covered by ASX Listing Rule 10.14 who become entitled to participate in the LTIP after the resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.
- A voting exclusion statement is included in the Notice of Meeting.

Board Recommendation

The Board recommends that shareholders vote in favour of the proposed grant of Performance Rights to Drew O'Malley under the LTIP. The Chair of the meeting intends to vote all available proxies in favour of the proposed grant of Performance Rights to Drew O'Malley.

Grant terms

Number of Securities	The number of Performance Rights issued to Mr O'Malley will be 74,036. This has been calculated by dividing Mr O'Malley's FY22 Base Salary of \$858,825 by the volume weighted average price (VWAP) of the Company's Shares for the five trading days up to and including the date that the Company's full year 2021 financial results were publicly released and the five trading days after that date (\$11.60). The offer will be made to Drew O'Malley as soon as practicable following the Annual General Meeting. Each Performance Right is exercisable, subject to the Vesting Conditions and during the applicable period for exercise, for one Share.																															
Issue Price	The Performance Rights will be granted for nil consideration on the basis their grant represents an incentive for future performance, and will be subject to Vesting Conditions.																															
Exercise Price	It is a term of the LTIP that Performance Rights have a nil exercise price.																															
Exercise Period	<p>Unless the Board determines otherwise in its discretion, the Performance Rights will automatically vest on the Business Day after the Vesting Conditions have all been satisfied in accordance with the terms of the Plan (the Vesting Determination Date).</p> <p>If the Performance Rights vest while the Company is in a Trading Window, the Performance Rights will automatically exercise upon vesting and the Company must issue or procure the transfer of Shares or pay the Cash Equivalent Value to the Participant in accordance with the terms of the Plan.</p> <p>If the Performance Rights vest while the Company is outside a Trading Window, the Performance Rights will automatically exercise upon the first day of the next Trading Window following the Vesting Determination Date and the Company must issue or procure the transfer of Shares or pay the Cash Equivalent Value to the Participant in accordance with the terms of the Plan Rules.</p>																															
Performance Period	The three financial periods beginning 3 May 2021 and ending on 28 April 2024.																															
Vesting Conditions	<p>Vesting of the Performance Rights is conditional upon:</p> <ul style="list-style-type: none">• satisfaction of a minimum term of employment of 12 continuous months from the grant date;• remaining an eligible participant under the LTIP at all times before vesting; and• the compound growth in the Company's EPS achieved over the performance period is equal to or greater than the Minimum EPS Target (Compound EPS Growth) and growth of relative TSR compared to an appropriate ASX200 index which is sufficiently broad to measure relativity from the start of the performance period (Relative TSR). The weighting to be applied between these two performance conditions when calculating vesting will be 50% Compound EPS Growth and 50% Relative TSR. <p>Compound EPS Growth performance will be tested following the determination of the Company's basic EPS for the financial period ended 2 May 2021, compared to the Company's basic EPS for the financial period ending 28 April 2024. If the growth in EPS between the financial period ended 2 May 2021 and the financial period ending 28 April 2024 is above the Minimum EPS Target and the other vesting conditions are satisfied, the proportion of Performance Rights that will vest will be as follows:</p> <table><thead><tr><th>Performance level</th><th>Annualised EPS growth (CAGR)</th><th>% of max/stretch/grant vesting</th></tr></thead><tbody><tr><td>Stretch/maximum</td><td>16.5%</td><td>100%</td></tr><tr><td>Between target and stretch</td><td>>11%, <16.5%</td><td>Pro-rata</td></tr><tr><td>Target</td><td>11%</td><td>50%</td></tr><tr><td>Between threshold and target</td><td>>5.5%, <11%</td><td>Pro-rata</td></tr><tr><td>Threshold</td><td>5.5%</td><td>25%</td></tr><tr><td>Below threshold</td><td><5.5%</td><td>0%</td></tr></tbody></table> <p>EPS is calculated with reference to the disclosed EPS in the Company's annual audited financial reports. Item 6 — Adoption of Remuneration Report

The Corporations Act requires that where a resolution requires the Remuneration Report to be adopted, it must be put to vote at the Company's Annual General Meeting.

The Remuneration Report for the financial period ended 2 May 2021 is set out on pages 13 to 34 of the financial report for the period ended 2 May 2021, which can be found on the Company's website: www.collinsfoods.com.

The Remuneration Report outlines the remuneration framework and remuneration arrangements in place for Directors and Key Management Personnel of the Company and its controlled entities, detailing:

- the principles and objectives underlying the remuneration framework;
- specified details of the components of Directors' and senior executives' remuneration, including performance conditions; and
- the relationship between remuneration structures and Company performance.

It is noted that the shareholder vote on the Remuneration Report is advisory only and does not bind the Directors or the Company.

The resolution to approve the remuneration report at the Company's 2020 annual general meeting was passed by a poll (with 98.29% of votes cast in favour of the remuneration report).

The Corporations Act provides for a 'two strikes rule' in relation to voting on the Remuneration Report.

In summary, the rule gives shareholders the opportunity to require a general meeting to be held to re-elect the Board if the Remuneration Report receives two 'strikes' (a strike occurs when at least 25% of the votes cast on the resolution are against adoption) at two consecutive annual general meetings.

Following consideration of the Remuneration Report, the Chair will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that shareholders vote in favour of adopting the Remuneration Report.

The Chair of the meeting intends to vote all available proxies in favour of the adoption of the Remuneration Report.

VOTING NOTES

Voting Entitlement

The Company has determined that, for the purpose of voting at the Annual General Meeting, all Shares will be taken to be held by those persons recorded in the Company's register of members as at 7.00pm (Sydney time) on 25 August 2021.

If you are unable to attend, please lodge your vote online at www.investorvote.com.au.

Please note, only shareholders may ask questions online and only once they have been verified. It may not be possible to respond to all questions raised during the meeting. Shareholders are therefore encouraged to lodge questions prior to the AGM, as outlined on page 1.

If you choose to participate in the meeting online, registration will open at 8.30am (Brisbane time) on Friday, 27 August 2021.

Voting by Proxy

If you are entitled to attend and vote at the meeting, you can appoint a proxy to attend and vote on your behalf. A proxy need not be a shareholder of the Company and may be an individual or a body corporate. A personalised proxy form is enclosed with this Notice of Meeting.

If you are entitled to cast two or more votes, you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you do not specify a proportion or number, each proxy may exercise half of the votes. If you appoint a proxy, the Company encourages you to direct your proxy how to vote on each item by marking the appropriate boxes on the proxy form.

Shareholders are encouraged to notify an appointed proxy of their appointment to enable them to participate in the meeting online and to exercise your voting instructions. Appointed proxies will need to contact the Company's share registry, Computershare Investor Services to obtain a username and password to vote online. Further details are available in the online meeting guide available at www.collinsfoods.com/agm2021.

If you do not specify a proxy in your completed proxy vote or if the person you appoint does not participate in the AGM, the Chair of the meeting will be taken to be your proxy by default. In accordance with the *Corporations Act 2001*, any directed proxies that are not voted as directed on a poll at the meeting will automatically default to the Chair of the meeting, who is required to vote proxies as directed.

Undirected and Directed Proxies — Items 4, 5 and 6

The Corporations Act places certain restrictions on the ability of Key Management Personnel (including the Chair of the Meeting) and their Closely Related Parties to vote as proxy for another shareholder on Items 4 (Renewal of shareholder approval for LTIP), 5 (Approve grant of Performance Rights to Drew O'Malley) and 6 (Remuneration Report).

To ensure that your votes are counted when appointing a proxy who is a member of Key Management Personnel or a Closely Related Party of such a member, you are encouraged to direct your proxy as to how to vote on Items 4, 5 and 6 by indicating your preference by completing any of the 'For', 'Against' or 'Abstain' boxes on the proxy form.

The Chair intends to vote all undirected proxies in favour of Items 4, 5 and 6.

If you appoint the Chair of the Meeting as your proxy but you do not direct the Chair how to vote in respect of Items 4, 5 and 6, you will be authorising and directing the Chair to vote in favour of Items 4, 5 and 6 and the Chair will vote in this way, even though Items 4, 5 and 6 are connected with the remuneration of Key Management Personnel.

ALL RESOLUTIONS WILL BE BY POLL

The Chair intends to call a poll on each of the resolutions set out in this Notice of Meeting.

FORMAL LOCATION

The formal location of the meeting will be at the offices of Clayton Utz, Level 28, 71 Eagle Street, Brisbane, Queensland. However, as outlined above, shareholders are invited and encouraged to participate in the meeting via the online platform or by lodging a proxy ahead of the meeting.

TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the AGM. The Chair has discretion as to whether and how the meeting should proceed in the event that a technical difficulty arises. In exercising this discretion, the Chair will have regard to the number of shareholders impacted and the extent to which participation in the business of the meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge a proxy by 9.30am (Brisbane time) on Wednesday, 25 August 2021 even if they plan to attend online.

Summary of the key terms of the LTIP

Plan overview	The Board may, from time to time, in its absolute discretion, offer to grant Performance Rights as part of its long-term incentive strategy to an Employee under the LTIP.
Eligible Employees	<p>Any permanent, full-time or part-time employee (including any executive director) of Collins Foods and its related bodies corporate (Group) (Employee) is eligible to participate in the LTIP and to be offered Performance Rights if they satisfy the criteria or other performance conditions that the Board determines from time to time.</p> <p>Performance Rights may be granted, and Shares, upon the exercise of Performance Rights, may be granted or transferred to Employees or such other persons (including without limitation, any person's legal personal representative or trustee in bankruptcy) as the Board in its discretion determines to be eligible to participate in the LTIP (a Participant).</p>
Plan limit	<p>In accordance with ASIC Class Order 14/1000, when making an offer of Performance Rights under the LTIP, the Company must have reasonable grounds to believe that the maximum number of Shares that have been or may be issued as a result of offers made in the previous 3 years under the LTIP (and any other employee incentive scheme or similar arrangement covered by ASIC's incentive plan relief) will not exceed 5% of the Shares of the Company on issue.</p> <p>For the purposes of calculating this 5% limit, ASIC includes:</p> <ul style="list-style-type: none">• unissued Shares over which Performance Rights, rights or other options (which remain outstanding) have been granted pursuant to offers made under this LTIP and any other Group employee incentive scheme in the past three years, where there are reasonable grounds to believe that the offer will result in an issue of Shares; and• the number of Shares issued as a result of offers made during the previous three years pursuant to an employee incentive scheme, <p>but excluded from the 5% limit are:</p> <ul style="list-style-type: none">• any offers which are received outside of Australia;• offers made under a disclosure document or product disclosure statement;• offers that do not require disclosure under section 708 of the Corporations Act (eg offers to investors under a 20/12 offer, sophisticated or professional investors and 'senior managers' where a senior manager is a person who is concerned in, or takes part in, the management of the body (regardless of the person's designation and whether or not the person is a director or secretary of the body); and• Performance Rights over Shares where the relevant Performance Right has lapsed.
Vesting Conditions	<p>The Board will determine whether any performance hurdles or other conditions (including as to time and satisfaction of a minimum 12-month term of employment) will be required to be met (Vesting Conditions) before the Performance Rights which have been granted under the Plan can vest.</p> <p>Performance Rights will automatically vest on the business day after the Board determines the Vesting Conditions have all been satisfied (Vesting Determination Date).</p> <p>The Performance Rights will automatically exercise on the Vesting Determination Date unless the Vesting Determination Date occurs outside a trading window permitted under the Collins Foods Securities Trading Policy, in which case the Performance Rights will exercise upon the first day of the next trading window following the Vesting Determination Date. Upon exercise of the Performance Rights, the Company must issue or procure the transfer of Shares, or alternatively may in its discretion elect to pay the Cash Equivalent Value to the Participant.</p> <p>Cash Equivalent Value means, for each Share to be issued or transferred to a Participant, the volume weighted average price at which Shares have traded on ASX over the five trading days prior to the date at which the obligation to issue or transfer the Share to a Participant under the LTIP arose.</p>
Issue price	Unless otherwise determined by the Board in its discretion, Performance Rights are to be granted for nil consideration to Employees under the Plan. Performance Rights may otherwise be granted for nominal cash consideration.
Exercise price	The exercise price for Performance Rights, or the method of calculation of the exercise price, is as determined by the Board at the time of grant and stated in the letter of offer. The exercise price for a Performance Right will be nil (including where no exercise price is stated in the letter of offer) unless the Board determines otherwise and states the price in the letter of offer.
Exercise period	The terms for exercise, including the exercise period, are stated in the offer letter and any Performance Rights may not be exercised outside of a trading window prescribed in the Collins Foods Securities Trading Policy.

Summary of the key terms of the LTIP

- Lapse** Once granted, Performance Rights will lapse on the first to occur of:
- the stated expiry date;
 - the failure to meet the stated Vesting Conditions within the prescribed period;
 - if the Participant (or the Employee to whom the offer was made) ceases to be an Employee due to death, permanent illness or permanent physical or mental incapacity (as certified by a medical practitioner who is approved in writing by the Board), retirement or redundancy (or any other reason as determined by the Board):
 - for vested Performance Rights, until they are validly exercised under the rules of the Plan; and
 - for unvested Performance Rights and provided the Participant satisfies the minimum 12 month term of employment, unless the Board otherwise determines (eg including determining whether the number of unvested Performance Rights should be reduced pro-rata to reflect the period of the performance period that has elapsed between the date of grant and the date of cessation of employment), they will remain subject to the terms in the letter of offer and Performance Rights certificate until they are vested or lapse.The Participant will be deemed to remain an Employee and therefore eligible at all relevant times for the purposes of the testing of any Vesting Conditions.
 - a determination by the Board that the Participant has:
 - been dismissed or removed from office as an Employee for any reason which entitles the Company or the Group entity to dismiss the Participant without notice; or
 - acted fraudulently, dishonestly or in breach of the Participant's obligations to the Company or another Group entity or otherwise engaged in misconduct,and, the vested and unvested Performance Rights are for that reason to be forfeited;
 - if the Participant ceases to be an Employee due to resignation (or any other reason as determined by the Board), the date of cessation of employment (or such longer period as the Board determines); and
 - notwithstanding the rules of lapse set out in the LTIP, if the Participant has not satisfied the 12-month minimum term of employment, the Performance Rights will lapse regardless of whether they are vested or unvested.

Rights and restrictions of Performance Rights

Performance Rights are not entitled to receive a dividend. Any Shares issued or transferred to a Participant upon vesting of Performance Rights are only entitled to dividends if they were issued on or before the relevant dividend entitlement date.

The Company may impose a mandatory holding lock on the Shares or a Participant may request they be subject to a voluntary holding lock.

Shares issued or transferred under the LTIP rank equally in all respects with other Shares on issue.

In the event of a reconstruction of the Company (consolidation, subdivision, reduction, cancellation or return), the terms of any outstanding Performance Rights will be amended by the Board to the extent necessary to comply with the Listing Rules at the time of reconstruction.

Any bonus issue of securities by way of capitalisation of profits, reserves or share capital account will confer on each Performance Right, the right:

- to receive on exercise or vesting of those Performance Rights, not only an allotment of one Share for each of the Performance Rights exercised or vested but also an allotment of the additional Shares and/or other securities the Employee would have received had the Employee participated in that bonus issue as a holder of Shares of a number equal to the Shares that would have been allotted to the Employee had they exercised those Incentives or the Performance Rights had vested immediately before the date of the bonus issue; and
- to have profits, reserves or share premium account, as the case may be, applied in paying up in full those additional Shares and/or other securities.

Subject to a reconstruction or bonus issue, Performance Rights do not carry the right to participate in any new issue of securities including pro-rata issues.

Performance Rights will not be quoted on ASX. The Company will apply for quotation of any Shares issued under the LTIP.

Summary of the key terms of the LTIP

Assignability An Employee cannot sell, assign, transfer or otherwise dispose of a Performance Right without the prior written consent of the Board. This does not prevent the exercise of the Performance Right by the estate of a deceased Participant.

Administration The LTIP is administered by the Board, which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions (subject to the Listing Rules, including any waiver granted by ASX) in addition to those set out in the LTIP.

Change of Control If, in the opinion of the Board, a Change of Control Event has occurred, or is likely to occur, the Board may declare a Performance Right to be free of any Vesting Conditions and, if so, the Company must issue or transfer Shares in accordance with the LTIP rules. In exercising its discretion in determining the vesting outcome, the Board will consider whether measurement of Vesting Conditions (on a pro-rata basis) up to the date of the Change of Control Event is appropriate in the circumstances.

Change of Control Event means where:

- a takeover bid is made and a person obtains voting power (as defined under the Corporations Act) of more than 50% and the takeover bid has become unconditional;
 - a court has sanctioned a compromise or arrangement (other than for the purpose of, or in connection with, a scheme for the reconstruction of the Company); or
 - any other transaction which the Board determines will result in a change in control of the Company.
-

Amendments Subject to the Listing Rules, the Board may amend the LTIP at any time, but may not do so in a way which reduces the rights of Employees' existing rights without their consent, unless the amendment is to comply with the law, to correct an error or similar.

Termination and suspension The LTIP may be terminated or suspended at any time by resolution of the Board but any such suspension or termination will not affect nor prejudice rights of any Employee holding Performance Rights at that time.
